Special Called Meeting

CALL TO ORDER

Due to a lack of a quorum, the June 5th Special Called Meeting of the Irvington City Council was canceled. However, Council Members Billy Snyder, Rhea Ballman and Charles Poole were in attendance along with City Clerk Sherrie Lawson. Others present included: Paul Reynolds with Bluegrass Engineering, Ints Kampars with WXBC and Police Chief Jason Ballman.

Since Mr. Reynolds had traveled so far for the meeting, the members present asked for an update. Paul Reynolds stated that Abbico had finished with the cleanup and was completely done with the project. He was waiting on some specification from Hardinsburg and approval from the county for the installation of the water main on the county right of way. He further added that the bid opening was scheduled for June 25th at 10:00 am for the KIA project (Lon Dowell). The other items that he had would need council approval or signatures so he would have those at the next regular meeting.
